

## **FPC Back to Service Information**

Our first in-service time of worship will be on June 21 @11am. The service will be kept to ~1 hour. Seats have been repositioned to allow for social-distancing. Pre-registration is required to attend the service to maintain proper building capacity.

While we are excited to return to service and we will do as much as possible to prevent sickness, we want you to understand that we cannot remove risk 100%. Your attendance is voluntary and viral infection is possible.

### **Pre-Registration**

Registration will be required for now prior to attending service. Please visit [www.torringtonchurch.com/register](http://www.torringtonchurch.com/register) to signup for a service

### **Health Indicators**

If you have any of these conditions, please stay home: fever, cough, positive virus exposure and/or symptoms within the past 14 days, direct contact with someone who tested positive within the past 14 days.

### **Screening**

Upon entry all staff, volunteers as well as attendees, including children, will have a thermal temperature scan. This is a touch-less, painless and quick process which is not obtrusive in any way. Any person with a temperature of 100.5 or greater will not be able to enter the building.

### **Parking**

Parking will be self-park, and we ask that you please exercise social distancing in the parking lot.

### **Building Entry & Exit**

All entry will be from the side/ramp entry way. All exiting will be through the front doors. An exception will be for those who require the ramp, and we will allow them to exit once others have exited the building.

### **Greeters & Volunteers**

All greeters will be masked while they serve, and will not shake hands, hug or otherwise come in contact with attendees.

### **Seating**

Seats have been arranged to allow families to sit together and allow for social distancing from others. Please allow a greeter to direct you to a seat. It is possible you may not get to choose the seat you wish. Please be patient during this time.

### **Masks**

We are requesting that everyone 2 and older to please wear a mask upon entering the building. We ask that you keep your mask on while attending FPC for a 2-week-phase of re-opening. Beginning in July, as long as we are able to progress to the next phase then you may remove

## **FPC Back to Service Information**

your mask if once seated, you wish. Please wear your mask upon dismissal until you are in your vehicle.

### **Offering**

We recommend continued use of our Online Giving options through Faith Teams from our church website at [www.torringtonchurch.com/give](http://www.torringtonchurch.com/give). We will have offering drop-off areas, but will not be “marching” or “passing the plate” to receive offering.

### **Children’s Ministry & Nursery**

There will be no children’s ministry at this time. While this is a critical and extremely important ministry to both you and us, we are holding off for now. This means no Sunday School and the Nursery will be closed.

### **Ministry Team**

The team(s) which lead the service will be smaller. Expect a smaller worship-band, fewer speakers.

### **Online Service**

We will continue to live-stream our Sunday 11am service on FaceBook Live. If you cannot join us personally or feel unsafe being in person, then please join us online.
